OUR FUTURE**

MESSAGE FROM THE EXECUTIVE PRINCIPAL

Welcome to Yasmina British Academy. We are one of the few recognised outstanding schools in the UAE where our students' attainment and progress, within all Year groups, are significantly above UK, UAE and global averages. The whole Academy community is very proud of its achievements to date and is looking forward to working in partnership to become a leading Academy of excellence within the region.

No matter of the age of the student, central to everything that we do at Yasmina British Academy is focused on the development of happy, confident, independent and flexible learners, who are fully prepared for advanced study and work within the ever changing demands of the 3rd Millennium. We genuinely care about all people within our Academy community.

We have the highest expectations of staff and the whole student body. Central to this vision is the drive and determination to ensure that all everybody is fully supported and maximises their potential and performance in all strands of school life. At the heart of our entire academic, personal development and extra curricular programmes are the 3 key objectives of Aldar Education: Our

Purpose – Empowering the next generation to shape our future, Our Promise – Delivering the highest standards of education and inspiring a love of learning and Our Values- Excellence, Creativity, Passion, Respect and Collaboration.

Through outstanding learning and teaching and the constant reinforcement of our Core objectives, we can fully prepare all our students for adult life, to enable them all to practice and develop leadership qualities, to be highly motivated, confident and creative independent learners and most importantly understand the value of being respectful and tolerant international citizens.

Highly effective home/school partnerships are central to everything we will do at Yasmina British Academy. We genuinely believe that keeping parents fully informed and engaged in their child's education from a very early age will fully support and maximise academic and social development. A full programme of parental consultation evenings, open forums, parental engagement workshops, coffee mornings and our open door policy will ensure that the parental body is kept completely informed of all school developments and fully empowered to support their child through out all stages of their education.

I hope that you find browsing through our web site both useful and informative. However, the best way to make an informed decision is to visit us in person and experience the Academy in action. Please contact our admissions department to arrange a Tour of the Academy.

I look forward to meeting you in the near future.

THE CURRICULUM

The English National Curriculum is renowned and respected the world over as being one of the most academically rigorous pathways to further education. One of its key advantages is that it is constantly evolving to encompass the changing world in which we live. Above all it is designed to foster a love of learning and at Yasmina British Academy, our aim is to inspire and challenge our students to approach the curriculum with a sense of curiosity and resilience, ensuring that we instil these skills in them for life. With passion at the heart of everything we do, Yasmina British Academy nurtures all children through a rich and exciting educational journey. Successful foundations are laid early to engage and cultivate awe, wonder and imagination. Independence is developed and fostered through a safe environment where students feel comfortable to take risks and are not afraid to fail. Inclusive for all, barriers to learning are overcome through building trust to create confident, happy, reflective, and accountable learners, who make exceptional progress. Our curriculum is designed to be exciting, varied, and creative, enabling learning to flow through the different subject areas. All students are given opportunities to make connections, apply their skills and understand how their experiences relate to the real world. At KS3 we build on the strong foundations by

developing a wider and deeper understanding of individual subjects as well as utilise a range of 21st century skills and attributes. Students then go on to study their I/GCSE qualifications before progressing to A-levels - two of the most rigorous, reliable, and highly regarded examinations available. At the end of year 13 students go on to study at some of the most prestigious universities around the world with our Alumni including graduates from Oxbridge, Ivy League, and Russell Group institutions.

ACADEMIC ACHIEVEMENT:

I/GCSE

We recorded an impressive 56% 9 - 7 grades among all exams sat by its IGCSE students, while 95% of total entries earned 9 - 4 grades. In 2021 Yasmina British Academy recorded incredible achievements in the core subjects of English and Maths with 83% and 81% achieving grades of 9 - 6 respectively, in line with previous years.

A-Level

77% of Yasmina British Academy's A-Level students scored A*, A or B, exceeding UK schools benchmark of 53% and placing us in the top 5% of schools for value added. Top achieving students from Aldar Academies have already secured opportunities to pursue their higher education at prestigious Russell Group and Ivy League universities in the UK and USA.
